CHAIRMAN'S WELCOME

A very good afternoon to everyone, and a warm welcome to our visitors Andover New Street FC, their players, officials and supporters.

Last weekend saw us make the long journey to Newquay for the FA Vase and what a trip it turned out to be. Coming away with a victory and progressing into the second round is a fantastic achievement for everyone connected with the club. It was a brilliant reward for the hard work and commitment of the players and management team.

As always, my thanks go to our supporters for your continued backing, whether home or away, and to our committee, volunteers and everyone who works tirelessly behind the scenes to make everything possible.

Enjoy the game!

SINCE WE WERE LAST HERE - NEWQUAY 10.10.26

Man of the Match

Ben Cowley

Sturminster glided into the second round of the FA Vase with a comfortable victory in Cornwall. Newquay started the game strongly and Sturminster rode a wave of early pressure, Theo Crane making a great reaction save to deny the hosts the lead. From that moment Sturminster took control of the rest of the half, tormenting the Newquay defence at will, however they had to wait until the 39th minute to take the lead, as a Moss Jackson cross was headed home at the far post by Ben Cowley.

Further misery was to come on the stroke of half-time, as Adam Hall was fouled on the edge of the box and the resulting free kick was whipped in dangerously for an unmarked George Adair Charlton to power a header home to double the advantage going into the break. Newquay changed shape and personnel in the second half, looking to try and wrestle back the advantage; however, they couldn't stop the Sturminster tide, and the game seemed to be put out of the reach of the home side as Sean Hart pounced on an error and ripped home a third goal. Newquay were thrown a lifeline in the 89th minute as they pulled a goal back; however, any chance of a dramatic comeback was eased in stoppage time as George W Coleman waltzed through a threadbare defence to add a fourth for the Cherries.

Wessex League Premier Division

About the Wessex League Premier Division

The Wessex League Premier Division is one of the leading regional football leagues in Southern England. It sits at Step 5 of the National League System and is administered by the Wessex Football League. Founded in 1986 and covering the regions of Hampshire, Dorset, Wiltshire, the Isle of Wight, Berkshire and surrounding areas. The league provides a competitive bridge between county football and the semi-professional national pyramid. Many clubs use it as a stepping stone towards the Southern League or Isthmian League. Each club plays every other club home and away. A standard season consists of 38 league matches per team. Teams receive: 3 points for a win; 1 point for a draw and 0 points for a loss. Premier Division clubs also compete in: Wessex League Cup; FA Cup from the Prelim Round and FA Vase. The Premier Division is regarded as a strong Step 5 competition, with many clubs: operating floodlit grounds. attracting crowds between 100 and 500 with bigger matches drawing more and developing young players who progress into higher levels of non-league football. The Wessex League Premier Division is one of England's most respected regional leagues. It combines community-based clubs, player development, local rivalries, and a realistic pathway into higher levels of the English football pyramid, making it an important part of non-league football in southern England.
